

OCTOBER

2019

Bullying Prevention Awareness Month

Starting this month, Reece is introducing “*Value of the Month*” to our social skills curriculum! Building upon our monthly themes and vocabulary, we will incorporate a specific value that corresponds with that month’s theme across daily lessons and activities. We strive to teach, model, and provide our students with additional opportunities to understand and demonstrate these important life skills. We encourage you to discuss these values and skills with your child and incorporate each monthly value in your daily routine at home!
